

Paul Ehrlich MedChem
Euro PhD Network

The Organizing Committee cordially invites you to participate at **MedChem 2024** (XIII Meeting of the Paul Ehrlich Euro-PhD Network) to be held in Rome from the 17th to the 19th of June 2024 in conjunction with COST Action Workshop **One Health approach to tackle neglected infectious diseases challenges**. As part of the COST Action workshop Young Researchers and Innovators will be engaged in the presentation of their research work in the field of neglected infectious diseases: Trypanosomiasis, Leishmaniosis, Schistosomiasis, Malaria and others in the field of medicinal chemistry/green chemistry and ecotoxicology. Designing lower environmental impact drugs.

All kinds of communications in the area of Medicinal Chemistry can be [submitted](#). One section will be dedicated to the *COST Action OneHealthdrugs Workshop: "One Health approach to tackle neglected infectious diseases challenges."* (One Health Drugs). During the workshop young Researchers and Innovators will be engaged in the presentation of their research work in the field of neglected infectious diseases: Trypanosomiasis, Leishmaniosis, Schistosomiasis, Malaria and others in the field of medicinal chemistry/green chemistry and ecotoxicology. Designing lower environmental impact drugs. The Introduction lecture will be held by prof. **ROHINI R. ROOPNARINE**

Oral communications (15 minutes) and *poster sessions* are scheduled every day. The poster session will have two parts: a Flash Presentation of a 2 minute short version of the poster in front of all the delegates in the Conference Room followed by a classical Poster session during the coffee breaks. There is availability for 34 posters.

All participants are warmly invited to join also for the COST Action OneHealth*drugs* Workshop “One Health approach to tackle neglected infectious diseases challenges”. Registration is free, just fill in this [Google Form](#).
